## UCP Suffolk *Lights Without Limits*

If you really want to get in holiday spirit, be sure to visit one of these beautifully decorated homes.

The O'Brien, Passafiume and Marciano families share holiday celebrations with United Cerebral Palsy (UCP) of Suffolk. All of their homes are aglow with thousands of twinkling lights, an assortment of figures and blow-up holiday decorations for public enjoyment. For a fun family activity to do at this time of year, visit the home near you! All are welcome! Donations to UCP Suffolk, which provides programs and services to 4,000 children and adults with disabilities annually (including but not limited to limited to cerebral palsy), will be accepted at each home.

The O'Brien family adorns their home located at 387 Deer Rd. in Ronkonkoma with festive lights the entire month of December and will be collecting donations for UCP Suffolk Saturday, Dec. 20 from 6 pm –8 pm.

Throughout the month of December, the Passafiume family home, located at 10 Puritan Ave., Mount Sinai will again be elaborately decorated for the holidays, and accepting donations on behalf of UCP Suffolk.

New this year, the Marciano family joins in the holiday lights celebration by decorating 17 Boston Ave. in Medford, and accepting donations for UCP Suffolk.

Anyone interested in joining the O'Brien, Passafiume and Marciano families spread holiday cheer in support of UCP during this season of giving, or who would like their family home to be included in this event in the future can call UCP at 631.232.0015. Inquires about other opportunities are also welcome.

### **About UCP Suffolk**
