**The Workmen's Benefit Fund and UCP Suffolk Children's Center  
Team Up for a Beary Special Day**

Every Teddy Bear should be loved to pieces ... well not literally! On Saturday, May 3rd children with special needs and their very special fuzzy friends attended a Teddy Bear Clinic at United Cerebral Palsy of Suffolk Children's in Commack. Free check-ups, teddy bear repairs, music, entertainment and refreshments were provided free courtesy of the Workmen's Benefit Fund.
