### Udall Road Middle School Students Bring the UCP Suffolk Children's Center a Spring Surprise

**Hauppauge, NY** -- Students and teachers at The Children's Center at United Cerebral Palsy Association of Suffolk, Inc., (UCP) in Commack, were treated to a Spring surprise when students from the Udall Road Middle School's Student Council popped in for a recent visit.

The West Islip students, age 11 – 13 years, collected enough candy and treats from classmates to assemble 76 goody baskets. During their visit the group, accompanied by a life size bunny, delivered a basket to each student at the Children's Center.

According to Sarah, a Udall Road 8<sup>th</sup> grader, "This is such a fun activity. It is great to see the smiles we bring to the kid's faces."

Gregory, another Udall student commented, "As a 6<sup>th</sup> grader, this is my first visit to the UCP Suffolk Children's Center. I feel really good about doing something nice. The whole experience was rewarding and I look forward to coming back again next year."

This is the 25<sup>th</sup> year students from Udall Road Middle School have sprung into action, providing students and teachers at The UCP Suffolk's Children's Center with a sweet treat for Spring!

Sherri Glazer, Assistant Principal at the UCP Suffolk Children's Center, thanked visiting students for their enthusiasm and continued support telling them, "Your visit today was the highlight of my day and our student's! Thank you for touching our student's lives in such a thoughtful, positive way."

**About United Cerebral Palsy:** UCP Suffolk, based in Hauppauge, NY, provides services to 4,000 children and adults with a wide variety of disabilities annually, sixty five percent of whom have a disability other than cerebral palsy. The Children's Center offers early intervention, preschool and school age educational programs. Programs for adults include adult day services, job training and placement and residential opportunities. UCP also operates a comprehensive, fully accessible Health Center.
